CAUSE NO. 4:24-cv-01132

PLAINTIFF’S UNOPPOSED MOTION TO SEAL

Dentons Europe CS LLP (“Plaintiff” or “Dentons Europe”) requests that the Court seal Plaintiff’s Supplemental Opposition to Guidry Surge LLC’s Motion to Dismiss with attached exhibits. Defendants have contended that the identity of the project and its location are confidential. (*See* Dkt. 12-1, Simpson Decl. ¶ 37.) Plaintiff does not agree that this information is confidential as detailed in its Opposition at Dkt. 17. However, this filing includes a few more detailed documents that relate those subjects. In connection with this filing, Plaintiff’s counsel asked Guidry’s counsel whether it considered exhibits 1 and 2 to the supplemental opposition, as well as summaries of their contents, to be confidential and require sealing. Defendants have said that they do consider such materials to be confidential business materials, not publicly available and to require sealing. Although Plaintiff

does not agree that all this material requires sealing, Plaintiff does not oppose Defendants' request to seal. Thus, Plaintiff asks that this Court grant this unopposed request to seal.
